COMMUNICATION

Sir:

This Communication is responsive to the Office Action mailed December 5, 2005.

The December 5, 2005 Office Action refers to original claims 1-48. However, a Preliminary Amendment was filed with the instant application on May 13, 2005. This Preliminary Amendment cancelled claims 1-22, amended claims 44, 46 and 48, and added new claims 49 – 54. A copy of the Preliminary Amendment, and the return postcard referencing the submission of the Preliminary Amendment, is attached hereto. The December 5, 2005 Office Action does not address the claims as amended in the May 13, 2005 Preliminary Amendment.

The undersigned spoke with Examiner Ulm on December 27, 2005 and learned that the Preliminary Amendment was not addressed in the Office Action due to filing and/or indexing

errors likely occurring during initial clerical processing of the instant application. Examiner Ulm further stated that Applicants have the option of requesting a new Office Action which addresses the claims as amended by the May 13, 2005 Preliminary Amendment. It is therefore respectfully requested that the Examiner issue such a new Office Action.

No fees are believed to be due with this Communication. However, any fees occasioned by this paper or any fee overpayments should be charged or credited to Deposit Account **13-2755**.
